PARTNER BROCHURE FOR TOUR OPERATORS AND TRAVEL ADVISORS

One partner for all of Egypt, *with its own ship*

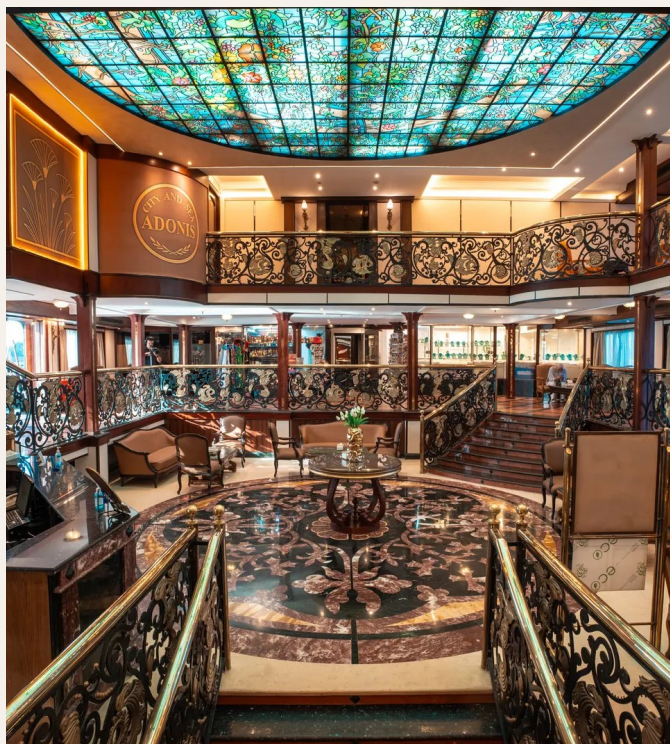

City and Sea Travel is a family-run Egyptian destination management company (DMC), inbound tour operator, ground operator, travel agency and Nile cruise operator, founded in Cairo in 2010, with a team bringing more than 40 years of combined experience. We specialize in complete, end-to-end Egypt itineraries and handle every element of a trip in-house. **Americans are already one of our largest guest nationalities**, so we know exactly what US travelers expect.

- ◇ **We own and operate the ship.** The M/S City and Sea Adonis sails between Luxor and Aswan. That means guaranteed cabin space, direct pricing with no middlemen, and full control of quality from arrival to departure.
- ◇ **Everything in-house.** VIP airport meet-and-assist, private transfers, hand-picked hotels and licensed, English-speaking Egyptologist guides. As an IATA-accredited agent, we issue domestic flights to and from any city in Egypt ourselves.
- ◇ **Peace of mind for your travelers.** A medical doctor sails with the ship around the clock, all cooking and ice on board are prepared with mineral water, and our own teams in Cairo, Luxor, Aswan and Hurghada support your guests 24/7.
- ◇ **Trusted by US travel advisors.** We already supply international tour operators and work with US travel advisors, including advisors in the Virtuoso network.
- ◇ **Licensed and accredited.** Licensed by Egypt's Ministry of Tourism (License No. 2041, Category A), IATA-accredited (No. 90200434), member of the Egyptian Travel Agents Association (ETAA) and a USTOA Associate Member.

“Egypt is not just where we work. It's who we are.”
